## A. Introduction

Before we begin talking about what is CbGlobe, I'll assume that you already know what Clickbank is.

If you don't, in a very simplified form, it is a huge marketplace of over 10,000 digital products and over 100,000 affiliates.

You can sell your own product, or you can promote their ever increasing products' database **for free** as an affiliate.

What's great about Clickbank is that as soon as you create a [free affiliate account](#), you can instantly promote any of their 10,000+ products without having to apply for it or fill out any other info.

With that said, let's begin with our subject:

**“How To Leverage The Power of Clickbank’s Huge Product Database Through CbGlobe.com – The Free Clickbank Portal”.**

### A. (I) What is CbGlobe

[CbGlobe](#) is a free Clickbank portal. A system that retrieves the hottest selling products from Clickbank, sorted by popularity, which earns you multiple income streams.

Instead of promoting products one by one, you can have your own Clickbank mall, with your ID embedded in more than 10,000 Clickbank products earning you up to 75% commissions, as well as many 2-tier affiliate programs. That means you can earn money in any niche, and build your 2-tier downlines in other affiliate programs at the same time.

In other words, you can promote one web site and earn multiple income streams at the same time, but this is only one monetization method.

There are lots of different methods that you can make money with the various features of CbGlobe (*more on these methods in section [A. III.](#)*)

## A. (II) How Do You Configure CbGlobe With Your Affiliate IDs?

There are 2 types of affiliate links that you are getting credit for, with your CbGlobe account:

- a. Clickbank's 10,000+ products
- b. 2tier and residual income affiliate programs

To begin with, the Clickbank nickname you use with your CbGlobe account, automatically gives you commissions for all 10,000+ Clickbank products.

Therefore, you only need to configure/update "category b" links (2tier and residual income affiliate programs)

Doing that is very easy.

Here it is in 3 easy steps:

1. [Sign up](#) for your FREE CbGlobe Account
2. [Login](#) to your admin panel

You should see this:

The screenshot displays the 'MEMBER'S ADMIN AREA' with a navigation bar containing links for 'Update profile', 'Update your affiliate ids', 'Hit Tracker', 'Url Rotator', 'Banner Manager', and 'Log out'. The user's profile information is listed on the left, and several action buttons are on the right. At the bottom, there is a link to the sponsor's website and a URL for sending people to.

### 3. Giving away FREE CbGlobe portals

You profit from others getting their [free CbGlobe](#) in 2 ways:

- a. You get 51% of the OTO (one time offer) that people see when they join through your link.
- b. You get people under you in the 2-tier affiliate programs that come with CbGlobe (right now there are about 12), so all those sub-affiliates can make you money when they make sales... for as long as they makes sales!

### 4. Use the adsense-like plugins to monetize your existing blogs and content sites

You can use the adsense-like plugins to monetize your existing blogs and content sites (see examples of these adsense-like ads [on the homepage](#) and [on the signup page](#)) and get paid big dollar commissions rather than pennies from adsense.

If you would like to display clickbank text ads, use the form below to generate the HTML codes to put on your webpage

Ad Category:	<input type="text" value="All Categories"/>
Keyword Targetting: Enter a keyword if you want to display specific ads.	<input type="text"/> (leave blank if you want to display a

## **5. Use the adsense-like plugins to create niche blogs and content sites for various niches**

You can specify what your niche term is and you'll be getting Clickbank ads, similar to the adsense style for your niche term. E.g if your site/blog is about acne you can have acne products showing up.. if it's about dog training you can have dog training products showing up etc. (see "acne" niche and "ebay" niche ads [on the signup page](#))

## **6. Clickbank search plugin**

Instantly add to your sites and blogs, Clickbank's huge database of 10,000+ products with your Clickbank affiliate ID embedded in all of them. Simply copy and paste a small snippet of code on your site and you are done. (see screenshot below)

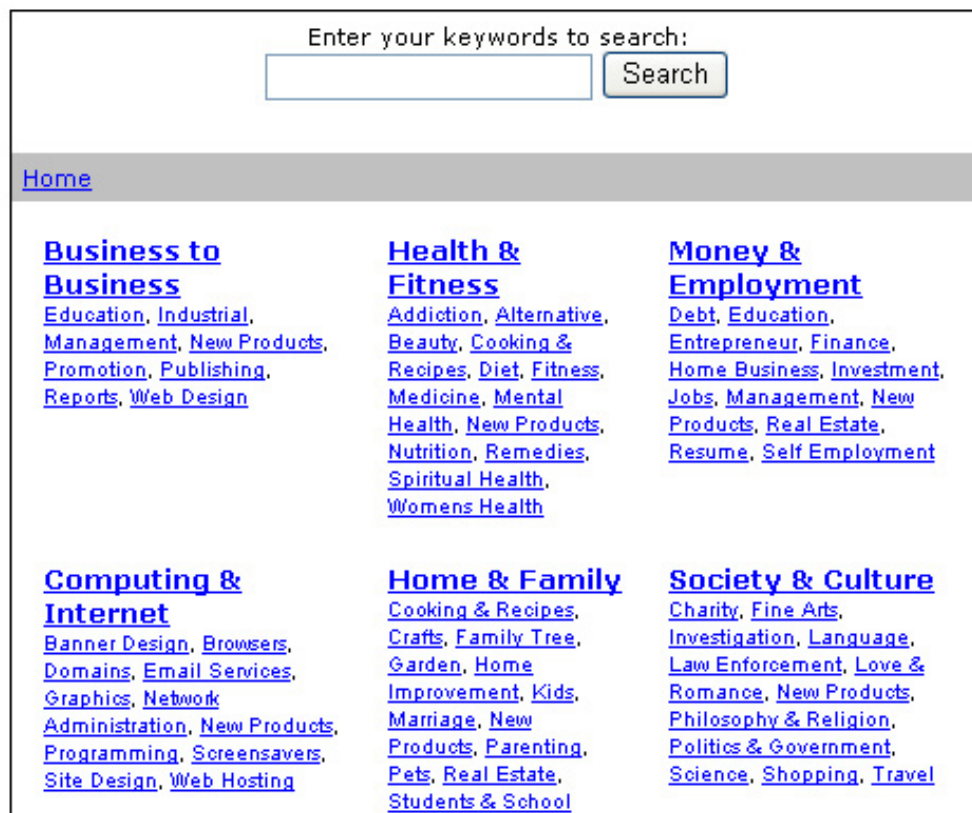

## Clickbank Portal Search Plugin Screenshot

If you would like to display the clickbank portal that's powered by our software on your own website, just copy and paste the code below in your html codes:

## E. Other CbGlobe Awesome Features, And How They Make You Money

### I. Banner Rotator Manager

BANNER MANAGER

<p>If you would like to rotate these banners on your website, just paste the code below on your web page:</p> <pre>&lt;iframe width=468 height=60 FRAMEBORDER=0 HSPACE=0 VSPACE=0 name="banners" SRC="http://cbglobe.com/cgi-bin/vp/bannerrotate.cgi?i=kokoko" scrolling=no&gt;&lt;/iframe&gt;</pre>	

## II. Url Rotator

You can use the Url Rotator feature for split testing different ad campaigns or sales letters. You can assign weight on each link. The higher the weight the more times the links would be displayed before the next is shown.

URL ROTATOR					
<a href="#">Admin Area</a>	<a href="#">Update your affiliate ids</a>	<a href="#">Hit Tracker</a>	<a href="#">Url Rotator</a>	<a href="#">Banner Manager</a>	<a href="#">Log out</a>
<a href="#">Add a new url</a>					
Tracker #	Title/Url	Hits	Weight	Action	
1	My Main Website <a href="http://www.imsuccessguide.com">http://www.imsuccessguide.com</a>	2	2	<a href="#">[Edit]</a> - <a href="#">[Del]</a>	
2	My Clickbank Portal <a href="http://www.cbqlobe.com">http://www.cbqlobe.com</a>	0	1	<a href="#">[Edit]</a> - <a href="#">[Del]</a>	
3	My Newbie Site <a href="http://www.newbie2provideos.com">http://www.newbie2provideos.com</a>	0	2	<a href="#">[Edit]</a> - <a href="#">[Del]</a>	
4	MyDD Aff Url <a href="http://www.mydigitaldispatch.com/?a_aid=3&amp;a_bid=5">http://www.mydigitaldispatch.com/?a_aid=3&amp;a_bid=5</a>	0	1	<a href="#">[Edit]</a> - <a href="#">[Del]</a>	

Your rotating url is:

<http://cbqlobe.com/r.cgi?i=kokokos>

For the screenshot example above, I would be using the rotating url displayed at the bottom and [imsuccessguide.com](http://www.imsuccessguide.com) will be displayed 2 times, then [cbqlobe.com](http://www.cbqlobe.com) 1 time, then [newbie2provideos.com](http://www.newbie2provideos.com) 2 times, and finally [mydd aff url](http://www.mydigitaldispatch.com/?a_aid=3&a_bid=5) will be displayed 1 time... and it will keep rotating this way.

## III. Hit Tracker

Ad Tracking feature that you can use to track your advertising activities. You have unlimited tracking urls, so you can track all your advertising here and know what is working and what is not. (see screenshot below)

HIT TRACKER					
<a href="#">Admin Area</a>	<a href="#">Update your affiliate ids</a>	<a href="#">Hit Tracker</a>	<a href="#">Url Rotator</a>	<a href="#">Banner Manager</a>	<a href="#">Log</a>

[Add a new url](#)

Tracker #	Title/Url	Raw Hits	Unique Hits	Action
1	ImSuccessGuide.com Forum hits <a href="http://www.imsuccessguide.com">http://www.imsuccessguide.com</a>	1	1	<a href="#">[Edit]</a> - <a href="#">[Del]</a> - <a href="#">[Re</a>
2	ImSuccessguide.com Ezine hits <a href="http://www.imsuccessguide.com">http://www.imsuccessguide.com</a>	0	0	<a href="#">[Edit]</a> - <a href="#">[Del]</a> - <a href="#">[Re</a>
3	ImSuccessGuide.com Article marketing hits <a href="http://www.imsuccessguide.com">http://www.imsuccessguide.com</a>	1	1	<a href="#">[Edit]</a> - <a href="#">[Del]</a> - <a href="#">[Re</a>

ur tracking url should be in the following format:

<http://cbglobe.com/t.cgi?i=kokokos&cid=XX>  
(Replace XX with the corresponding tracker # above)

#### IV. Viral Article Syndication – Publish viral articles on your website

This is easier than it sounds.

Let's say your Cb Globe Username Id is **JohnAffiliate77**

Your Cb Globe affiliate url would be:

<http://cbglobe.com/x.cgi?id=JohnAffiliate77>

*(in this case JohnAffiliate77 does not exist, therefore you wouldn't be able to visit the site, but when you replace that with your own CbGlobe username you'll be able to visit and the example will be working as explained below)*

If you click on <http://cbglobe.com/x.cgi?id=JohnAffiliate77>

and then go to <http://cbglobe.com/cgi-bin/vp/syndicate.cgi> you will see a small snippet of code that you can paste on your website and get credit whether they buy an affiliate product, or they get the OTO, or they join Cb Globe in your 2tier affiliate downlines.

The code will look like that:

```
<!--Begin Article Code-->
<script language="JavaScript">var id = " JohnAffiliate77";</script>
<script language="JavaScript" src="http://cbglobe.com/articles/Affiliate-Marketing.js">
</script>
```

<!--End Article Code for Affiliate-Marketing-->

Notice the ID **JohnAffiliate77** that gives the credit.

**(in your case, instead of JohnAffiliate77, it should be your own CbGlobe username)**

That's all there is to it. As I'm adding articles, your website will be receiving fresh content automatically, and the best of all is that you will be profiting from each and every article!
